ABOUT STYPE

stYpe is a Norwegian company that specializes in providing virtual production solutions, camera tracking, object tracking and talent tracking products, hardware and software which include equipment rental and sale as well as a service of annual maintenance of the equipment. Our commitment to excellence and customer satisfaction is reflected in the quality and reliability of our products and services.

PURPOSE OF THE STATEMENT

This statement aims to provide a comprehensive overview of stYpe's policies and actions to comply with the requirements of the Norwegian Transparency Act, focusing on transparency, ethical business practices, and the protection of human rights.

ETHICAL BUSINESS PRACTICES

stYpe recognizes the importance of responsible business practices and is committed to ensuring that our operations adhere to ethical standards and respect human rights. To this end, we have implemented the following measures:

1. **Internal Policies:** We have established internal policies that guide our employees in ethical business conduct, respect for human rights, and environmental sustainability.
2. **Risk Assessments:** We conduct regular risk assessments to identify potential human rights violations and environmental impacts within our operations. These assessments help us prioritize actions and allocate resources effectively.
3. **Training and Awareness:** We provide training and raise awareness among our employees about our ethical standards and the importance of maintaining human rights and environmental sustainability.

CONTINUOUS IMPROVEMENT AND TRANSPARENCY

We are dedicated to continuously improving our practices to ensure ethical conduct and the protection of human rights throughout our operations. We regularly review and update our policies and procedures to reflect best practices and regulatory requirements. Information about our initiatives and progress is made available through various communication channels, ensuring transparency and accountability.

CONCLUSION

stYpe is dedicated to upholding the principles of the Norwegian Transparency Act and continuously improving our practices to ensure ethical conduct and the protection of human rights within our business activities. We welcome feedback and are committed to maintaining an open and transparent dialogue.
